

## TABLE OF CONTENTS

Chapter 1: <b>WHY MEN HATE TO SHOP</b> . . . . .	<b>1</b>
Most men would rather watch the sports channel or work on their cars than shop for clothing. Matching colors and patterns is a cumbersome task. Risk takers are trendy dressers, and safe buyers are conservative dressers.	
Chapter 2: <b>FABRIC IN A MAN'S WORLD</b> . . . . .	<b>7</b>
Learning about fabrics in men's clothing is like learning about tools and equipment. This chapter gives an overview of the properties of wool, cotton, silk, rayon, and polyester. It makes learning about fabrics easy.	
Chapter 3: <b>TUXEDOS</b> . . . . .	<b>13</b>
If you have ever wondered whether to rent or buy your tuxedo, this chapter will give you points to consider. It also discusses different characteristics of the tuxedo ensemble.	
Chapter 4: <b>CORPORATE CASUAL</b> . . . . .	<b>17</b>
This chapter guides you through the different levels of "casual"—from <i>casual</i> to <i>corporate casual</i> .	
Chapter 5: <b>SHOES MAKE THE DIFFERENCE</b> . . . . .	<b>19</b>
This section discusses the importance of the right shoes. It will help you get the proper size and fit. Other topics are different styles and proper shoe care.	
Chapter 6: <b>WHERE SHOULD I SHOP?</b> . . . . .	<b>23</b>
Here I compare specialty stores to department stores.	
Chapter 7: <b>WHICH OUTFIT TO WEAR</b> . . . . .	<b>29</b>
This is where we choose our outfits for occasions such as interviews, weddings, and parties. Included are pictures of trendy dressers and conservative dressers.	

Chapter 8: <b>ALTERATIONS AND FIT</b> .....	<b>43</b>
Since we all come in different shapes and sizes, this chapter will give you guidelines to help you find your size. Included are tables to estimate your approximate size. This chapter also discusses the importance of alterations.	
Chapter 9: <b>DRY CLEANING</b> .....	<b>53</b>
Dry cleaners are generally useful to us but can be a headache. After reading this chapter, your problems should be less. This section will also give you good ideas for caring for your garments.	
Chapter 10: <b>ONE HUNDRED YEARS OF STYLE</b> .....	<b>61</b>
A common question asked by suit buyers is, "Is this suit going to stay in style?" The illustrations in this part of the book show you that styles in men's clothing may or may not change for 20 or more years.	
Chapter 11: <b>THE MAKING OF A SUIT</b> .....	<b>65</b>
If you have ever wondered why a suit costs what it does, this chapter takes you through the entire process of making a suit. It goes from sheep to fabric to retail store.
